PAULA NATHAN

TRAINING: The Centre for Clinical Interventions provides clinically relevant training workshops, many of which are based on the manuals produced by CCI. Please see the Training section of the CCI website for more information.

*CCI is part of the Department of Health and a specialist public mental health service in Western Australia. This manual was originally published in hard copy format and is now distributed freely via the World Wide Web in an attempt to make such materials more accessible to clinicians. It is hoped that this manual will be a useful and effective tool for mental health practitioners in distributing mental health services to the wider community. **Please read the disclaimer and copyright notice available from the website before using these materials.***

This manual is available in hard copy from:

Centre for Clinical Interventions
223 James Street, Northbridge WA 6003
